# A brand built for the moment a drink needs a cookie.

**KOO & KIE :** a brand strategy case study on how a premium, better for you cookie can own the pairing, not just the biscuit.

Brand Strategy | Team Of 4 | Timeline 1 Week

## Project Overview

**Challenge**

India buys biscuits in huge numbers, but the **premium cookie space** has few players,and none is built around the drink you have with it.

**Approach**

- **Market research** and analysis
- Competitor analysis of three rival brands
- Segmentation, Targeting & Positioning
- Marketing Mix **(4 Ps)**
- **Brand identity** development
- **Product launch planning**

**Outcome**

**koo & kie:** a brand concept with a clear position, a **pairing-led product range**, identity, packaging, social content and a phased launch.

## How I thought

**OBSERVE**

Read the market, the leaders and the gaps

**CONNECT**
