PROFESSIONAL PROFILE

Strategic Design Management student at NID (**AIR 1**) combining design research, human behavior analysis, and service strategy to simplify complex systems. Key projects cover service interventions for **Gujarat Police** and **Gujarat Tourism**, **HDFC ERGO** service audits, and driving **40% revenue growth** through research-backed UX redesigns.

EDUCATION

National Institute of Design (NID) — **Master's in Strategic Design Management** AIR 1 — 2025 – Present

Delhi University — **B.A. (Hons) Economics** (8.24 CGPA) — 2020 – 2023

STRATEGIC DESIGN & RESEARCH PROJECTS

Wellness Tourism System Strategy — **Gujarat Tourism, NID Team of 3**

- Led design research on India's wellness tourism gap (**7–8%** vs **13% globally**); executed **43 touchpoints** across 5 centre visits, interviews & mystery shopping.
- Benchmarked India against 5 countries (**0.34 vs 0.92+** maturity); designed a shared information layer enabling **75% of test users** to select treatments with ease.

Front-Desk Workflow & Behaviour Study (Roger That) — **Gujarat Police, NID**

- Analyzed wireless broadcast interruptions across **240+ behaviors** & 7 simulations; designed 3-tier workflow intervention cutting desk interruptions by **21%** in a station pilot.

Travel Insurance Service Audit — **HDFC ERGO**

- Surveyed **50 travelers** across **74 trips** & mapped service safaris; delivered **3 high-leverage fixes** (upfront quote, clear document checklist, date-stamped status).

Peer-Cohort Service Venture (Float) — **Co-Founder**

- Architected a **0-to-1 peer service end-to-end** (4 service promises, dual-track model, facilitation kit) to support self-authored life transitions.

Patient Experience Mapping — **Civil Hospital Ahmedabad**

- Mapped end-to-end patient journey; proposed **6 low-cost operational fixes** including multilingual wayfinding and queue segregation.

WORK EXPERIENCE

UI Designer — **Ample Design Solutions** — Jun 2024 – Jun 2025

- Shipped UI for **8 web/mobile apps**; ran A/B tests across 50+ landing pages boosting engagement by **30%**. Won **1st place** in global 99designs competition.

Founding Designer — **Symbio Assistive Tech** — Jul 2024 – Oct 2024

- Built investor pitch deck, brand identity, and GTM positioning for a **0-to-1 venture**, aligning product, marketing, and tech stakeholders.

Design Head — **Read Riches** — Dec 2022 – Jul 2024

- Led research-backed website redesign tied to **40% revenue growth**; managed a team of **5 design interns**.

LEADERSHIP & MENTORSHIP

- **Student Committee (NID):** Managed **₹2 Lakh budget** as Treasurer; organized 7+ flagship events (**700+ attendees**) as Cultural Rep.
- **Community Building:** Mentored **50+ SDM aspirants** via workshops; **3 candidates cleared NID DAT Prelims**.
